

Change the equation

Let your passion for math lead you to a winning career choice. Step up and teach in New York City public secondary schools to make a difference in mathematics education and help solve our nation's math literacy problem.

Become a Math for America Fellow.

MfA provides aspiring math teachers with:

- A full scholarship for a master's degree or teacher credentialing program in Mathematics Education
- Up to \$100,000 in stipends, in addition to a full-time New York City teacher's salary
- Mentoring, job search support and ongoing professional development opportunities
- Membership in a national corps of highly qualified secondary math teachers

MfA $4 \sum_{k=1}^{\infty} \frac{(-1)^{k-1}}{2k-1}$
